

## Florida Bureau of Braille and Talking Book Library Services

The **Florida Braille and Talking Book Library** is a bureau of the **Florida Division of Blind Services** within the **Florida Department of Education**. The Library works in cooperation with the nation-wide network of the **National Library Service for the Blind and Print Disabled (Library of Congress)** to provide services throughout the state.

The Library provides services to Floridians who are **unable to use standard printed books** due to **vision loss, blindness, a reading disability or a physical disability**.

The Braille and Talking Book Library provides books and magazines in Braille and audio formats, free of charge, to qualified individuals of any age. Playback equipment is also provided as a long-term loan, and special players are available for individuals with hearing loss. Materials are sent and returned through the U. S. Postal Service at no cost to the user, or they may be downloaded from the National Library Service website for use on the player or on a personal device.

Persons or institutions interested in applying for services may call 1-800-226-6075, to request an application by mail. Applications are also available on the websites listed below:
